# WELCOME

Beginning in 2002, the Royal Brisbane Institute of Technology (RBIT) is a well-established Registered Training Organisation. We are now proud to be part of the community in both Westbrook and Toowoomba, Queensland.

Currently, RBIT is offering Nationally Recognised Training (NRT) Qualifications as well as quality enrichment courses.

RBIT is a progressive organisation that believes in delivering quality professional training by experienced trainers. For this reason, we believe that by undertaking a course at RBIT, you will be given the opportunity to participate in a new learning experience to enhance your academic qualifications, gain new knowledge, and in return allow you to make meaningful contributions to your workplace and the broader community.
